

WEST CENTRAL SANITATION

4089 ABBOTT DRIVE P.O. BOX 796 WILLMAR, MINNESOTA 56201 (320) 235-7630 FAX (320) 235-5715

To our Friends on Eagle Lake:

We have been contacted by your Lake Association to provide recycling service around your lake. About five years ago we offered to provide curbside recycling but less than 20 people responded. The Association believes there is now more interest and has encouraged us to offer it once again.

We are not going to charge you for this additional service at this time. However, there is a cost associated for fuel to run the trucks and drivers to do the recycling. We are contracted to deliver your recyclables to the Kandiyohi County Recycling Center. While some recyclables have a value, we are not able to recover our expenses because the county only gives us a small percentage of this value. We will offer this service to our customers because we appreciate you and want to serve your needs the best we can. However, in future years there may be a small fee of \$1.00 to \$2.00 per month for this service. We will notify you if this is necessary.

If you want to be included on this new route, please contact us at 235-7630. Curbside recycling will begin on May 13th, 2008, and continue every-other-week. We have included a calendar showing your schedule and instructions for proper preparation and sorting.

Best wishes,

Don Williamson
